

TAIYO KOKI Introduces 5-Year Warranty for “ERGOline X” operation panels

TAIYO KOKI Co., Ltd. has introduced a 5-year warranty for DMG MORI “ERGOline X” equipped on its products shipped after April 1st, 2026 in order to ensure that customers can use our products with greater peace of mind, safety, and comfort.

The ERGOline X operation panel combines a wide screen touch panel with hardware buttons into an intuitive interface.

Its dust and water resistant housing is designed for factory environments, while its glove-operable, high-visibility touch panel and customizable HYBRID BAR button layout streamlines setup work.

Machine tools including our products are long term assets used by customers for 10 to 20 years, and we will continue to strengthen their reliability and quality.

The 5-year warranty for ERGOline X covers the following models:

- Vertical Multi-Process Grinding Machine TKV 60
- Vertical Multi-Process Grinding Machine TKV 85

We will continue to develop highly functional, reliable, and investment-worthy products to the market in order to meet various needs of more customers and expand overseas sales as DMG MORI Precision Grinding.

- + Every detail is designed for ease of use
- + Automatically displayed necessary functions depending on operating situations by HYBRID BAR
- + Dustproof and waterproof structure (International Protection IP54)
